

# Contest Corner

## September 2024

It seems like each year we face the same challenges. Fall is coming and we try and extend our outdoor living as much as possible. Frost has put together some great prizes to help you take advantage of every day left of deck and patio season. Increase your **GAP** sales this month and the winner could be you

Protect your borrowers and boost your chances to win one of these great prizes by presenting GAP on every loan. Make sure you have completed your **VisualGAP Certification** to double your chances of winning. You will be awarded an entry into the contest each time you sell a GAP waiver between **September 1, 2024 and September 30, 2024**. Winners will be drawn and posted on October 10, 2024. There is no limit to the number of chances you have to win. The more GAP waivers you sell through **VisualGAP®** the more opportunities you have to win.
